

Patientenetikett / Label

I, the above named, agree that

„Ambulantes Gesundheitszentrum (AGZ) der Charité GmbH, Charitéplatz 1, 10117 Berlin“

is permitted to provide both information about myself (name, date of birth, address, insurance status) for further treatment and medical care of my disease and all relevant documents and findings as well as earlier diagnoses to Charité Universitätsmedizin.

The release from the medical confidentiality is limited to this disease and the duration of the treatment.

Additionally I agree that a clinical document will be send to the following post treating physician.

Name, address, specialization (if known)

.....

.....

I was informed on the fact, that I have the right to get a copy of all documents that I have signed in connection with the patient information and consent. I hereby waive my right, revocably at any time, that I have the right to receive a copy of it in each individual case.

Data Transfer / Data Access

To / from general physician / post treating physician

I agree that AGZ can request all dates of treatment/ findings, which are relevant for my treatment, from the above mentioned physicians.

YES NO

Scientific Evaluation

For scientific evaluation I agree, that my data of treatment, transformed into anonymous form, can be scientifically evaluated by physicians of the Charité, the AGZ or under their supervision.

The basis for this is the legal regulation of Art. 9 Par. 2 lit. j DSGVO and § 27 German Federal Data Protection Act (BDSG).

I can revoke this authorization any time with effect for the future.

YES NO

I agree that medical students are made familiar with my disease and its treatment to get involved in treating, in an appropriate form for education and training and supervised by a specialist.

I can revoke this authorization any time with effect for the future.

YES

NO

Treatment documentation of the pre-treating medical facilities of Charité and AGZ

I agree that all in my treatment involved employees have access to the all necessary information of my previous stays in Charité and AGZ.

YES

NO

Data Transfer Information

I have been informed, that

- In case of cancer the Charité Comprehensive Cancer Center (the clinical cancer register) has to report to the Common Cancer Registry of the Federal States Berlin, Brandenburg, Mecklenburg-Vorpommern, Sachsen-Anhalt, Sachsen, Thuringen (GKR) located in 12621 Berlin, based on the law of introduction of a mandatory reporting for cancer diseases.
- AGZ transfer within the framework of the treatment the following services to third parties
 - a. Laboratory services by the Berlin - Charité Vivantes GmbH and the Labor Berlin – Charité Vivantes Service GmbH
 - b. Supply of blood products by the Zentrum für Transfusionsmedizin und Zelltherapie Berlin gGmbH
 - c. Ambulance services by the Charité CFM Facility Management GmbH
 - d. Treatment cooperation with the Charité – Universitätsmedizin Berlin
 - e. Treatment cooperation with the MVZ der Charité Mitte GmbH

For realization of these services all necessary data can be transferred to these institutions.

I know that the declaration on the release of medical confidentiality can be revoked at any time with effect for the future.
